NEWSLETTER

JANUARY 2025

Welcome to NyE Communities Coalition.

We are a Nevada nonprofit agency dedicated to growing healthy organizations, people, and environments (HOPE). Our progress is made possible through the support, expertise, and valuable contributions of individuals, organizations, and agencies. Together, we join in cooperative and collaborative efforts to expand prevention services and create greater opportunities.

From the CEO

Happy New Year! As we step into January and embrace the promise of a fresh start, we reflect on the past year and the tremendous impact we have made together as we gear up for the opportunities that lie ahead for our communities.

2025 brought its share of challenges, but it also highlighted the incredible resilience and compassion of this community. Together, we navigated obstacles, supported one another, and celebrated the victories that have forged stronger ties among us. Each contribution, whether through volunteer efforts or charitable donations, played a vital role in improving lives and fostering hope.

The beginning of a new year is a special time filled with hope, ambition, and the potential for positive change. It is the perfect moment to reignite our commitment to charitable contributions and the transformative power they hold. Non-profit organizations like ours thrive on the generosity and partnership of individuals and groups who share a common goal: to uplift and support those in need within our community.

As we set our resolutions and dreams for the year, we encourage you to consider how you can contribute to our shared mission. Whether through volunteering your time, attending a community meeting, making a financial donation, or fostering community connections, each of us has the power to make an impact. Together, we can strengthen our networks, address the challenges faced by those in our rural areas, and provide essential resources to improve lives.

Community partnerships are the backbone of our success. Through thoughtful collaboration we find innovative solutions and greater outreach. Let's continue to work hand-in-hand, combining our efforts to build a brighter future for everyone in our community.

Thank you for your support and dedication as we embark on this new year. With your help, we can turn hope into action and make meaningful strides towards positive change in 2026.

#PoweredByPeople

Wishing you a warm start to the holiday season,
Stacy Smith

NyECC Spotlight Youth Hub

*Highlighting on-campus youth projects driven
and executed by the next generation of our workforce!*

Creative Expression and Skill Development

One of our youth participants dreamt up a vibrant mural for our office—and with the help of their fellow participants, turned that vision into reality. What was once a plain, blank wall is now bursting with color, energy, and creativity, transforming the space into a place that inspires everyone who walks through the door. Their collaboration not only brought art to life but also showcased the talent, passion, and teamwork of our young contributors.

The youth also gain hands-on, practical skills—like painting—that not only help brighten and revitalize our older buildings but also equip them with experience they can carry forward into future jobs. Every brushstroke is more than just color on a wall; it's a step toward confidence, teamwork, and a stronger skill set that will serve them well beyond their time with us.

Community Event Support

Every year, youth participants play a vital role in making the Holiday Task Force's Community Christmas Dinner a warm and welcoming event. They help set up the room, arrange decorations, and add thoughtful touches that transform the space into a festive gathering place. Their efforts not only create a joyful environment for the patrons who attend but also make the experience meaningful for the volunteers, fostering a sense of community, teamwork, and holiday spirit. Through their hands-on involvement, these youth participants help bring the holiday magic to life, showing that even small acts of service can have a big impact on the people around them.

NyECC General Coalition **MEETING** January 21st, 2026

AT
THE
NAC

Join Us in person

At NyE Communities Coalition Activity Center (**NAC**)
1020 E Wilson Rd, Pahrump, NV 89048
8:30am- 10am

*Career and Technical Education courses
offered in NCSD*

Presentation by: Cyn Dalton and Karen Holley

*Cyn Dalton and Karen Holley will discuss the current Career and Technical Education courses offered in NCSD. We will also talk about the Comprehensive Local Needs Assessment and ask that everyone fill out the survey. We are also asking for input in other areas of CTE that are needed in our communities and give an update of where we are with the Work-Based Learning grant. **Micro Training by Aimee Riley** - Family Planning grant services play a vital role in community health. These programs provide individuals and families with access to essential reproductive care, including contraception, pregnancy testing and counseling, STI screenings, preventative health exams, and referrals to medical and social services. The goal of family planning programs is to support informed decisions, healthy pregnancies, and access to resources that align with personal health and family planning goals.*

BE ELIGIBLE TO WORK IN THE UNITED STATES "NYECC IS AN EQUAL OPPORTUNITY PROVIDER AND EMPLOYER"

LOOKING AHEAD: A BRIGHT FUTURE FOR REDEVELOPMENT

NyE Communities Coalition (NyECC) is pleased to share an update on the progress made through the Environmental Protection Agency (EPA) Brownfields Community-Wide Assessment Grant. This grant supports efforts to address brownfield properties – sites where real or perceived contamination has hindered their redevelopment – and helps communities move these properties toward safe, productive reuse.

With this funding, NyECC is working to identify potential environmental concerns, assess hazardous materials, and support informed decision-making for future redevelopment that benefits the community.

ENVIRONMENTAL SITE ASSESSMENTS

NyECC has identified several brownfield sites with strong potential for revitalization. Once a site is approved by the U.S. EPA, a Phase I Environmental Site Assessment (ESA) is conducted. Phase I ESAs include a review of historical property uses, environmental records, and a site inspection to determine if contamination is present.

If concerns are identified, a Phase II ESA may be recommended. Phase II assessments involve collecting and analyzing samples of soil, groundwater, and/or building materials to better understand the nature and extent of contamination and to inform potential cleanup options.

NYE COUNTY FINANCE BUILDING IN PAHRUMP, NEVADA,
RECEIVED A SITE VISIT AS PART OF A PHASE I ESA.

TO DATE, NYECC HAS COMPLETED:

- Six Phase I ESAs
- Three Phase II ESAs (two currently in-progress).
- Public Outreach and Community Engagement
 - Community involvement is a cornerstone of successful brownfield revitalization. NyECC has actively engaged residents through public outreach efforts designed to share information, gather input, and build awareness about brownfield redevelopment.
- Outreach activities to date include:
 - One revised community outreach plan
 - Seven newsletters
 - Seven social media posts

For more information about the Brownfields Program, visit www.epa.gov/brownfields

To learn more about NyECC's work or get involved: contact Jess Rosner at jess@nyeccc.org

The EPA Brownfields Community-Wide Assessment Grant is helping NyECC lay the groundwork for turning underused or challenged properties into safe and productive spaces. This work supports a healthier environment, stronger local economy, and a more sustainable future for our communities. We look forward to sharing additional updates as this effort continues and redevelopment opportunities take shape. Though this project has been funded wholly or in part by EPA, the contents of this document do not necessarily reflect the views and policies of the EPA. NyECC is an equal opportunity employer and service provider.

RESIDENTIAL ENERGY UPGRADE PROGRAM

POWER YOUR HOME FOR LESS

RE-UP facilitates cost-saving home improvement and appliance replacement by providing access to loan capital and expertise on available incentives.

ACCESSIBLE FINANCING

RE-UP lends to low- and middle-income households on the basis of ability to pay rather than credit scores only, on top of providing guidance on other rebates.

A HEALTHIER HOME

RE-UP can help reduce harmful air pollution that affects health inside your home by increasing the use of efficient and clean sources of energy.

SCAN ME

nevadacef.org/residents

ABOUT NCEF

The Nevada Clean Energy Fund (NCEF) is a nonprofit organization created in 2017 by state legislation. NCEF supports a thriving, affordable, and accessible clean energy economy by providing financial and technical resources to Nevadans.

WHY CHOOSE US?

Our program offers Nevadans the opportunity to access financing for home improvements, energy efficiency, electrification, and clean energy in their home, reducing their monthly energy bills and improving health outcomes. RE-UP is especially well-suited for low- to middle-income households lacking credit history.

Contractor Vetting

Contractors working with NCEF have their licenses, insurance, and work quality verified to meet a high quality standard.

Education

NCEF offers technical knowledge and expertise on various federal and state financial rebates and incentives for clean energy and electrification installations.

We're Here to Help

NCEF works directly with loan applicants to guide them through the process, answer questions, and find solutions to any challenges along the way.

Energy Assistance Program-Eligibility Criteria

To be eligible for the Energy Assistance Program your household must meet the minimum requirements below:

- Household must meet citizenship criteria; and
- The household must live in Nevada; and
- The household must be at least partly responsible for home heating or cooling costs by paying a utility company, fuel supplier, or landlord directly; and
- The household's total monthly gross income may not exceed 150 percent of the federal Poverty Guidelines as outlined below:

FY 2026 Program Year (July 1, 2025 – June 30, 2026)	
Household Size	Maximum Monthly Income
1	\$1,956.25
2	\$2,643.75
3	\$3,331.25
4	\$4,018.75
5	\$4,706.25
6	\$5,393.75
7	\$6,081.25
8	\$6,768.75
Add:	\$687.50 for each additional person

Note: A household is defined as one or more persons, related or not, who are living together and sharing a primary heating or electric source.
