**Welcome to NyE Communities Coalition.
We are building healthy communities
and we welcome anyone interested in
helping!**

**The coalition is made up of individuals,
organizations and agencies that are
focused on joining together in coopera-
tive and collaborative efforts to increase
prevention, wellness and employment
services and opportunities.**

**NyE Communities Coalition is committed
to expanding the ways in which we care
for people by helping individuals,
agencies, and organizations work toward
and maintain good health.**

Occupational Development

NyECC provides career coaches, training assistance, workshops, a Resource Room, and clothing closet to link job seekers to employers.

Youth Development

We help youth transition into adulthood with employment, leadership, and developmental support and removal of the barriers that limit opportunities.

Health Development

We provide resources to support healthy living. Trainings and classes are available on a variety of topics including Chronic Disease, Diabetes, Yoga, Mental Health, and many others. We also have support for health care and basic needs through our Community Health Workers.

Community Development

NyECC coordinates several committees, youth leadership groups, and AmeriCorps/VISTA. Join with NyECC to help identify issues and the resources to help our communities.

Early Development

We provide before and after school programming at each of the Pahrump Elementary schools and deliver education and awareness trainings for the students and families.

Safety Development

We solve transportation issues for the community and individual; and ensure the well being of the community by assisting with child car seats and crib safety

Helping every baby sleep safer

Where: 1020 E. Wilson Rd. Pahrump, NV 89048

For more info contact:

Pamela Welch 775-727-9970 Ext. 230

Every year, some infants die while sleeping.

Parents can reduce the risks of this tragedy by knowing and following some simple guidelines. These guidelines will help you meet the goal of making sure the sleeping baby's breathing remains clear and unobstructed.

And you will be assured that the baby does not get into a position that could cause injury or even death.

The class is one hour long and is scheduled by appointment only.

Online training is available.

Sign up if you are in your 3rd trimester or your infant is less than 6 months old.

The school district recognizes that parents play an integral role in assisting their children to learn, promotes a safe and open atmosphere for parents to visit the school, and actively solicits parent and family support for school programs. Because of this, the school district actively encourages parents to volunteer in their students’ classrooms and at school programs. Parent volunteers must work under the direct supervision of a staff member, administrator or the volunteer director.

Signs and Symptoms of Vaping Addiction

Nicotine is a highly addictive chemical that is found in the tobacco plant. Tobacco products—including cigarettes, cigars, smokeless tobacco, hookah, and most vapes—contain nicotine.

Answering yes to any of these questions means it's time to get help quitting.

Do you or someone you know...

- ☑ Need to vape as soon as you wake up or during class
- ☑ Feel anxious or irritable when you want to vape
- ☑ Have trouble concentrating or sleeping
- ☑ Keep vaping even though you know it's bad for you
- ☑ Find yourself reaching for your vape without thinking about it
- ☑ Get interrupted by thoughts about vaping throughout the day

Vaping Can Be Very Addictive

Nicotine can change the way your brain works, causing cravings for more of it. If you vape you might end up addicted to nicotine faster than if you smoked.^{1,2} Nicotine from vapes reaches your brain within 10 seconds.^{3,4}

Teen Brain Development

If you think that getting addicted could never happen to you, think again. You're actually more vulnerable than adults to addiction because your adolescent brain is still developing. Nicotine exposure during adolescence can disrupt normal brain development and may have long-lasting effects, such as increased impulsivity and mood disorders.⁵ Nicotine can also cause long-term changes to your brain, affecting memory and the ability to focus and learn—which all promote addiction.^{6,7,8,9}

NyECC Development Divisions

- ◆ Safety Development
- ◆ Health Development
- ◆ Youth Development
- ◆ Early development
- ◆ Community Development
- ◆ Occupational Development

Our general coalition meeting is held every third Wednesday in Pahrump, every first Wednesday in Tonopah and the Lincoln County Coalition meeting is the fourth Tuesday. In these meetings we examine gaps and resources, share information, and create collaborations.

We support the following committees:

- ◆ Outreach Committee (Sharing community resources)
- ◆ Community Crisis Intervention “CCIC” (Building Self-Sufficiency)

Please check our website for time and place at www.nyecc.org.

Serve your community by joining a committee.

Join our coalition if you:

- ◆ Live in Nye, Esmeralda or Lincoln County or work for an agency or an organization that serves any or all of these communities
- ◆ Are interested in building healthy communities by preventing alcohol, tobacco, and other drug abuse
- ◆ Want to improve individual health through physical fitness and good nutrition
- ◆ Would like to see an increase in education attainment and employability
- ◆ Want to remove barriers that limit access to resources

We encourage everyone who is interested in building healthy communities and are concerned with the future of our youth to join NyECC.

AmeriCorps/Vista/AARP—NyECC hosts volunteers through nationally recognized programs providing a living stipend and education award for those who serve the community.

Chronic Disease Self Management Workshop

This Chronic Disease Self-Management Program is a 6-week workshop for those who have Chronic Disease or live with someone who does. It teaches the skills needed in the day-to-day management of Chronic Disease.

Self-management programs are among the most efficient tools that can be offered. They lead to better outcomes by helping individuals gain confidence in their ability to manage their symptoms. In many cases, these programs lead to a reduction in illness, and improved overall health.

We will cover topics such as: understanding symptoms & emotions, managing symptoms, physical activity, freedom & safety, healthy eating, communication, medication and working & living with chronic conditions.

Free class valued at \$240!

Aging and Disability Services Division

Nevada Aging and Disability Services Division (ADSD) proudly announces the inception of the **Medicare Assistance Program (MAP)**. MAP is comprised of three Federally funded grant programs:

- **State Health Insurance Assistance Program (SHIP)** ~ provides free, unbiased, and personalized Medicare counseling to empower, educate, and assist individuals in understanding their options and make informed health insurance decisions that optimize their access to medical care and benefits.
- **Senior Medicare Patrol (SMP)** ~ empowers, assists, and increases awareness to prevent, detect and report health care fraud, errors, and abuse.
- **Medicare Improvements for Patients and Providers Act (MIPPA)** ~ provides information and application assistance to low-income Medicare beneficiaries who may qualify for cost saving programs and, provides outreach to promote wellness and disease prevention.

The services under the MAP are available to all Medicare eligible individuals, pre-enrollees, their family members, and caregivers.

TO ACCESS MAP SERVICES, PLEASE CONTACT US AT 800-307-4444 or TO DIAL DIRECT FOR SOUTHERN NEVADA CALL 702-616-4926.
