Job Title: Coordinator - Career Coach / Community Health Worker

Job Description

NyE Communities Coalition is seeking someone to work with multiple grant projects in two areas: Career Coach and Community Health Worker.

Youth WERKS is seeking an enthusiastic person who is interested in working with young adults' ages 16-24 years old. We are looking for an individual who has previous experience in case management and is computer literate. This person must have a high school diploma, driver's license, and reliable transportation; some college is preferred. This position consists of working with teens on how to successfully reach their education and career goals. This person needs to be comfortable speaking in front of groups and willing to learn how to teach workshops such as: STEM (Science, Technology, Engineering, and Math), interview skills, budgeting, and leadership development. \

NyECC is also seeking a Community Health Worker to work directly with community members in need. They will assess current living situation, make referrals, and provide linkages to services for community members; along with providing information and education to the community, gathering information for understanding of systems and operations needs and resources.

Being a part of NyE Communities Coalition requires following the mission: "To grow healthy organizations, people and environment". We are looking for an individual who can lead by example and teach our young future leaders the dangers of drug, tobacco, and alcohol use and encourage them to lead healthy lives and provide a role model to the community.
