This publication produced by Nye Communities Coalition with support of Nevada State General Funds, Department of Health and Human Services (DHHS); contents are solely the responsibility of the authors and do not necessarily reflect the views of the DHHS nor the State of Nevada.
NyeCC is an equal opportunity provider and employer.

This publication was compiled through the combined efforts of the Resilient 8 and the Formidable 14 Consortium

Both coalitions are working to activate and develop homegrown and sustainable resources throughout rural Nevada to mitigate the harm from opioids, other drugs, and mental health issues through increased access to supportive resources and relationships.
